

## CSS\_example

Here is CSS example :

```
body
{
    font-size: small;
    margin: 0px;
    text-align: left;
    background-color: #FFFF00;
    padding: 3px;
}

{
    font-size: small;
    color: #4f4f4f;
    padding: 0px;
    margin: 0px;
    -webkit-border: 0px;
    -webkit-border-style: none;
    -webkit-border-color: white; }

a {text-decoration: none;}

li{
    -list-style-type: circle;
    -list-style-position: inherit; }

.left{
    -text-align: left;
    vertical-align: top;}

.center {text-align:center;}

.right {
    -text-align: right;
    -font-weight: bold;
    -text-decoration: underline;
    vertical-align: top; }

img{
    -border: 0px;
    border-style: none;
    margin: 0px;
    padding: 0px;
}

div{
    -border: 0px;
    border-style: none;
    margin: 0px;
    padding: 0px;
    vertical-align: top;}

tr,td {
    border-width: thick;
    border-color: silver;}
```
