

## Forum\_Nokia\_Developers\_Wiki\_Administration

The [Forum Nokia Developers Wiki](#) administration is composed of the following individuals who bring a lot of expertise to share with the community.

The administrations task is to guide the [Wiki](#) so it is useful for new developers and seasoned veterans. They will also help all our members police the articles for accuracy and usefulness. If you have any complaints or suggestions you can send them to [me](#) and we as a group will discuss the issues and try to resolve them.

## The List of Forum Nokia Wiki Administration Team

User name	Real name	Technical Expertise/Areas of interest	Homepage	Blogs
<a href="#">?bogdan.galiceanu</a>	Bogdan Galiceanu	<a href="#">Python</a> , <a href="#">Java</a> , <a href="#">Qt for S60</a>	<a href="#">Homepage</a>	<a href="#">FN Blog</a>
