## Overview

Installing the S60 3rd Edition SDK's Debug Agent to S60 3rd Edition devices fails.

## Description

The installation of the ECMT Bluetooth Debug Agent for S60 3rd Edition devices fails, resulting in the *Certificate error*. *Contact the application provider* prompt before the installation reaches its end.

## How to reproduce

Try installing the Debug Agent available in the S60 3rd Edition SDK folder `S60tools\ecmt`.

## Solution

EcmtAgent\_MIDP\_BT.SIS of the S60 3rd Edition, Feature Pack 1 SDK can be successfully installed to most S60 3rd Edition devices. In addition, Carbide.j includes a Debug Agent for S60 which can be successfully installed to some S60 3rd Edition devices.
