

Note to developers

Updated: 12-19-2008

- TRK v3.0.9 cannot be installed on Nokia E51 with firmware 300.34.56 - before flashing this firmware please verify that a newer TRK release is available and that it fixes this problem.

Firmware versions

Updated: 7-7-2009

This data is automatically generated from the official Nokia firmware release database.

The most recent firmware versions may not be available in the [Nokia Software Updater\[1\]](#) and Previous firmware versions are not available. This list does not include operator specific firmware versions. These specific firmware version may be available at a later date.

See the most recent firmware [releases](#) here: [Nokia software update news\[2\]](#)
